Federal and State Asbestos regulations require responsible parties to have a DHEC licensed builder inspector inspect regulated structures for the presence of asbestos and to obtain DHEC required asbestos project licenses. **Please ensure that these requirements are met prior to conducting any abatement, renovation or demolition activities.**

Visit http://www.scdhec.gov/environment/baq/Asbestos/regulatory_information.asp for more information or contact SCDHEC at 803-898-4289. By signing this application, you are acknowledging that you have received the attached SCDHEC brochure titled "Renovation, Demolition & Asbestos".

I certify to the best of my knowledge that all information provided is true and correct and all work performed under this permit shall conform to all plans and specifications herewith submitted and shall conform to the City Code of Ordinances pertaining thereto.
